Version 1.1
2020-06-16

About this Document

PERTS is a nonprofit institute, fiscally sponsored by Tides Center, that helps educators apply evidence-based strategies in order to increase student engagement and success. To do so, PERTS provides various services to educators, parents, and students, including but not limited to websites, cloud-based applications, reports, speaking engagements, and other forms of assistance (together described as “Services”). This document describes the terms that govern the use of PERTS Services.

Before using any Services, you must read, understand, and agree to these terms of use and our privacy policy (collectively described as the “Agreement”). The privacy policy can be found at perts.net/privacy. You have no right to use the PERTS website or Services unless you unconditionally agree to all the terms of the Agreement.

By signing up for a PERTS account, or by otherwise using Services, you agree that you have read and agree to be bound by the terms of the Agreement without modification and to the exclusion of all other terms. You also agree to be bound by the Agreement regardless of your age, and regardless of whether someone else (like a parent, guardian, or teacher) has read and agreed to the terms on your behalf.

Permission to Access Services

You have permission to access PERTS Services as long as you comply with all terms of the Agreement. PERTS may change or discontinue any or all parts of the Services at any time, and PERTS may restrict features or services without notice or liability.

Eligibility to Use Services

The Services are not available to (a) any users who were previously suspended or blocked from accessing the Services or (b) anyone under the age of 13 whose participation has not been approved by a legal guardian or an educational organization acting in place of a legal guardian. By using the Services, you attest (a) that you have not been previously suspended or blocked from accessing the Services; (b) that your participation and your use of the Services complies with any and all applicable laws and regulations; and (c) that you are either (i) at least 13 years of age or (ii) that your legal guardian or an educational organization authorized to act in place of your legal guardian has consented to your use of the Services.

Students

If you are a student: You agree that you will only use the Services if invited to do so by a teacher or other official from your school, college, or other educational organization that is authorized to give you access to the Services. You also agree not to send any personal information to us other than what we specifically request as a part of the Services.

Young Users (anyone under 13 years of age)

If you are under 13 years of age (a “Young User”), you may only use the Services with consent and approval from your legal guardian or an authorized school official, like a teacher, who invites you to use the Services.

Educators

If you are a teacher, instructor, or other person (“Educator”) accessing the Services on behalf of a

school, school district, college, or other educational organization (“Organization”), the following terms apply to you: You attest that you are acting on behalf of and have permission from your Organization to enter into the Agreement and to use the Services as part of your educational duties for the benefit of students. Furthermore, if you invite a Young User to use the Services, you represent and warrant that you are authorized to consent on behalf of the Young User with respect to their use of Services; additionally, you agree to be bound by these terms on behalf of the Young User, including without limitation being liable for all use of the Services by the Young User. You agree to indemnify, defend, and hold harmless PERTS against all claims, losses, liabilities and expenses (including attorney’s fees) arising out of or related to (a) your violation of any provision, representation, or warranty; (b) the use of Services by a Young User; (c) your failure to obtain sufficient consent; or (d) all other actions related to the Young User.

Additionally, if PERTS and that Organization have a separate written agreement, then that agreement will define the order of precedence between the Agreement and that separate agreement. If any jurisdictions exist where the Agreement or part of it is prohibited, then your right to access and use the Services is revoked in those jurisdictions.

Modification of the Agreement

We may modify the Agreement in the future. If we do modify the Agreement, we will send you a notice via email and/or post the modified Agreement to the website. You will be bound by the new version of the Agreement (a) once you use the Services after you know about the change or (b) 30 days after we publish the new Agreement (whichever is sooner). Any disputes will be resolved under the terms of the Agreement in place when the dispute takes place. It is your responsibility to stay familiar with the Agreement and any modifications that we may make.
